

REPORTER

Omnidirectional Interview Microphone

RØDE
MICROPHONES

Features

- Broadcast recording presentation and interview microphone
- "Tailored for voice" frequency response
- Omnidirectional polar pattern
- Detachable microphone flag
- Ergonomic die-cast body
- Anti-glare black finish
- Multi-layer wind protection
- Designed in Australia
- 10 year warranty*

Frequency Response & Polar Pattern

Specifications

Acoustic Principle	Dynamic
Polar Pattern	Omnidirectional
Frequency Range	70Hz ~ 15,000Hz
Output Impedance	150Ω ± 30% @ 1kHz
Sensitivity	-56dB (1.0mV @ 94dB SPL) ±3dB re 1V/Pa @ 1kHz
Output Connection	XLR
Weight	256g (without flag attached)
Packed Weight	1100g
Dimensions	272.5mm x 41.5mm x 41.5mm
